The April Trip to France gave everyone a taste of foreign culture. After spending a delightful day in London, we explored Paris for four exciting days. St Male, Orleans and Reims were some of the features of our tour of the French countryside. As the France experience brought our group much closer together, it wetted our appetites for future adventures abroad.

JUNIOR PROM

On the Twentieth of May 1977, the Class of '78 presented the Junior Prom, "Colour My World." The romantic couples danced to the music of Sterling McGee. The overall success of this special night was worth the many, many hours of work put into creating and decorating it. The former Junior Class would like to thank themselves for doing such a fine job: Thank You, Thank You, and Thank You!!

The Lee High baseball season of 1977 was by far a most productive one. With a team batting average of .287 and team slugging percentage .388, Lee was one of the most offensive baseball teams in Berkshire County.

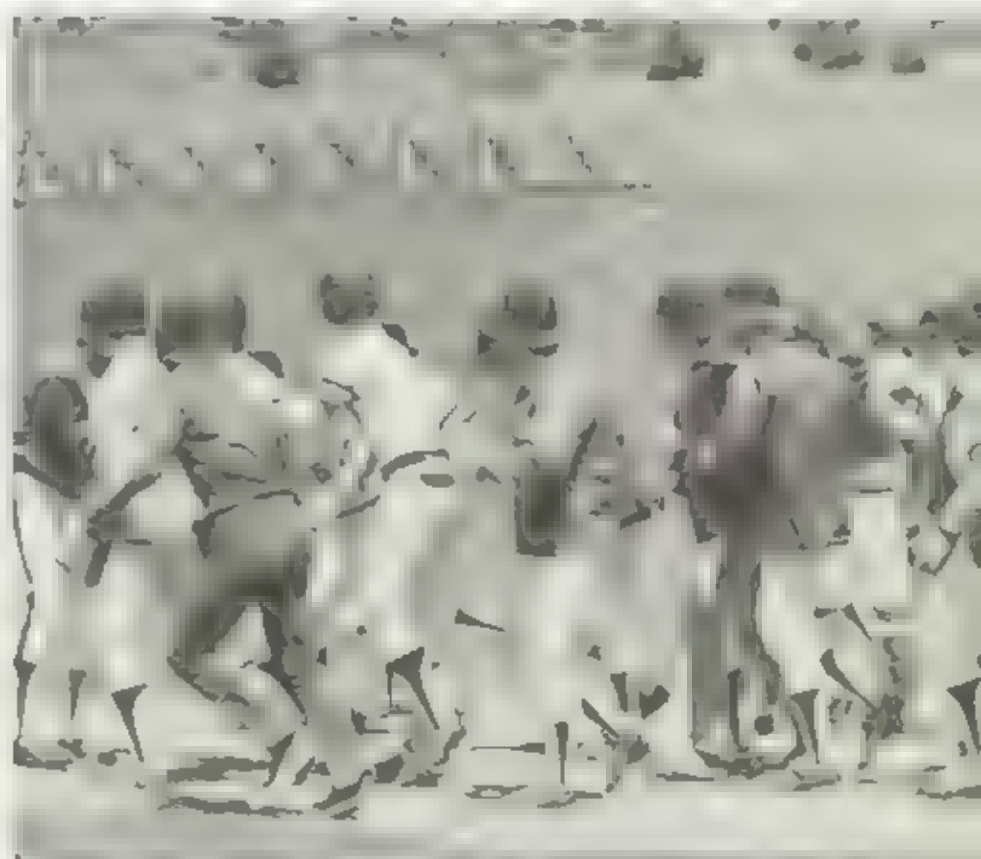

The team was led by Captain Dave Renaud and by All-Western Mass. player Mark Perry. Other contributing senior players were: T. Bartini, M. Desrosiers, T. Dewkett, M. Greiner, D. Rock, J. Sorrentino and B. Winters.

Returning for the varsity in 1978 will be Jim Buffoni, Dan Arment, Don Lavato, Rick Salinetti, Brian Murray, and Glenn Van Orman. With the help of some promising J.V. players, as well as the returning varsity players, the 1978 Lee High baseball season should be an exciting and successful one.

The 1977 Girls' Softball season was a very successful one for everyone involved with the team. Under new coaches, Mr. and Mrs. Murray, the team had 10 wins and 6 losses. Also, the team was one of three teams from Southern Berkshire County to be chosen to go to the Western Mass. Tournaments.

On the '77 squad were four freshmen, one sophomore, six juniors, and four seniors. The success of the season can be partially attributed to Michelle Burt, Chris Pollard, Lori Retzel, and Violet Arnspiger, our seniors. Their determination and skill was a definite asset to the team.

Every member of the '77 Softball team pushed themselves in order to obtain such a good season. We are looking forward to the return of last year's eleven remaining varsity players, and the addition of several new prospects.

This year was a building season for Tennis. Sophomores made up the majority of the team and there were no senior members. The squad was comprised of three singles players and two doubles teams, therefore, eight members actually played. The other three usually participated in exhibition matches. The captain, Tom Prinz, led the team through its two victories and twelve defeats, hoping for a better tally next spring

GOLF

This was a rather disappointing season for the golf team, as it was yet another rebuilding year. Under the leadership of captains Jeff Piaquadio and Jim Dunn, the team hacked its way to a 1-10-1 record. However, next year's team should show great improvement as there were no senior members on this year's squad.

SUMMER '77

LEE BICENTENNIAL 1777 - 1977

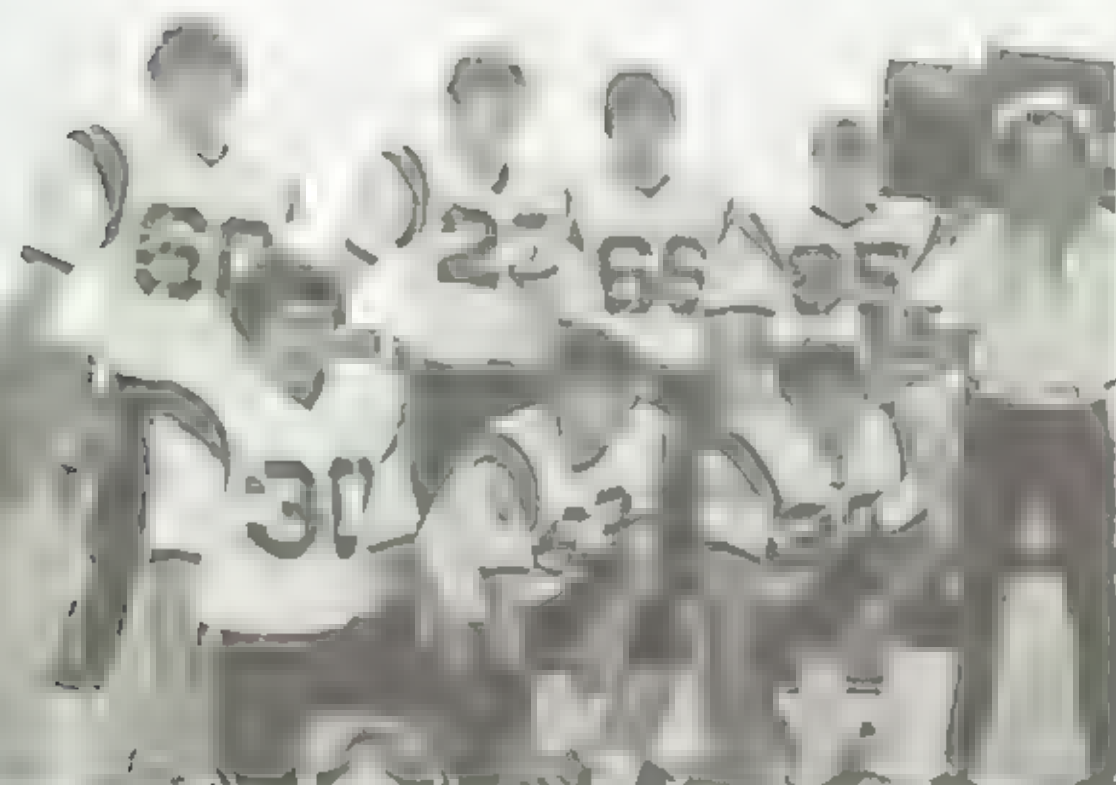

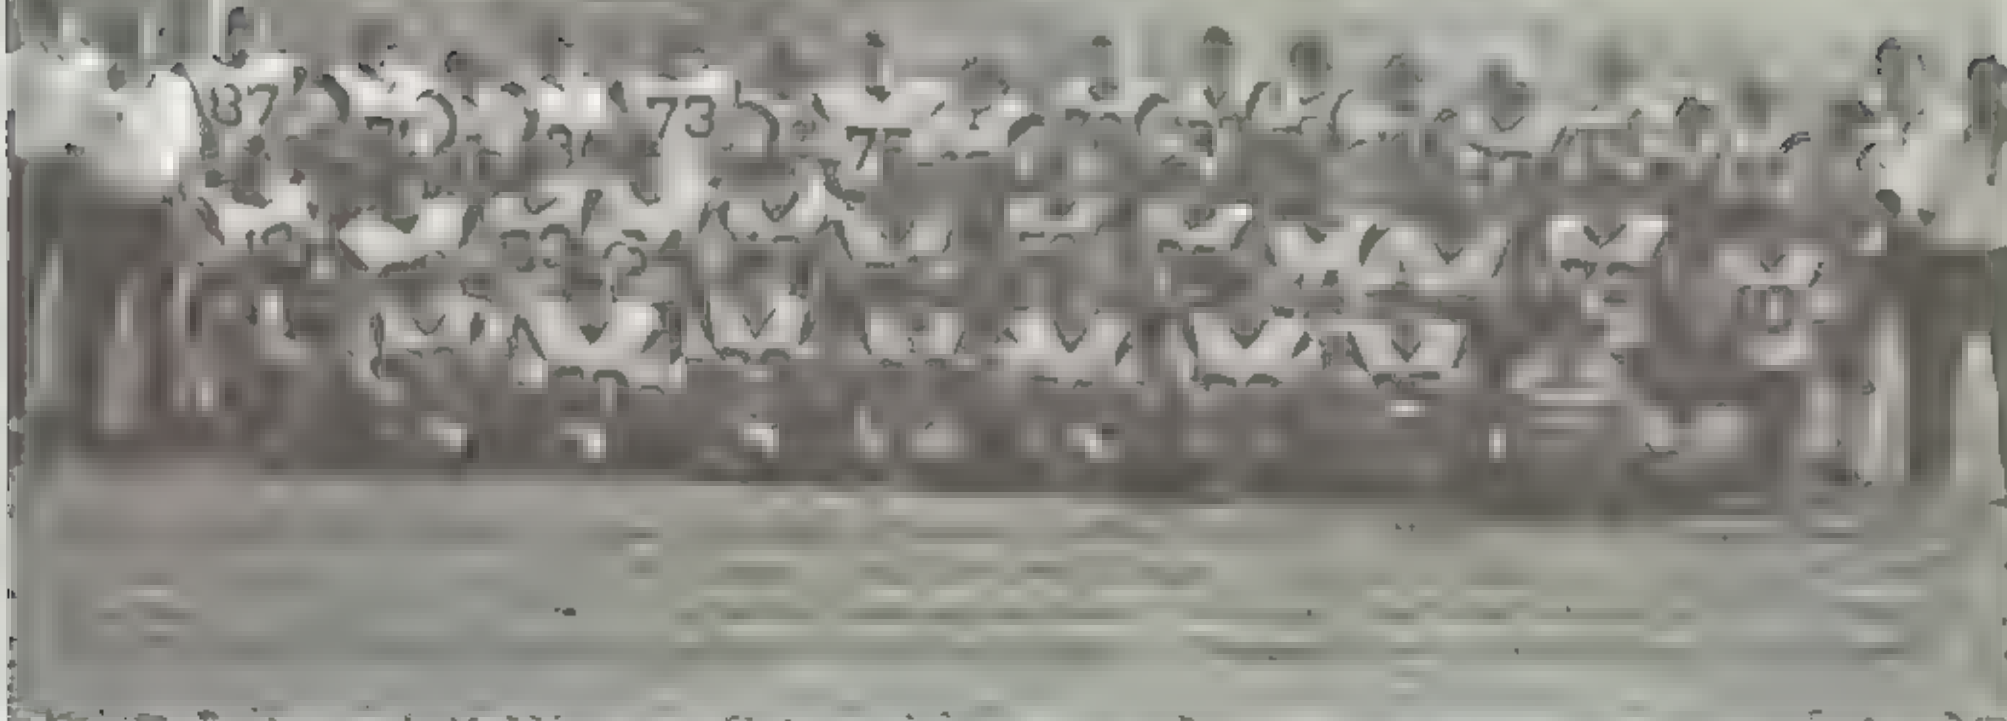

Much in the spirit of our country's 200th birthday, the Town of Lee, Mass. celebrated its 200th anniversary on September 4, 1977. Included in the day's activities were a large parade, a firemen's muster and a fireworks display. The parade included 17 bands and displays by area industries and an exhibit by the Eastover Resort Area. All in all, it was a day enjoyed by young and old alike.

LEE HIGH FOOTBALL

Kneeling: P. Toomey, P. Collins, R. Salinetti. Standing: M. Dobson, D. Arment, J. Buffoni, B. Daley, Coach LaGrant.

The 1977 football season was one which the fans and players will never forget. It was the first year under Coach LaGrant for the Wildcats in the Kosier League. The team started with six wins and was in first place going into a deciding game with second place Monument Mountain. With 1:05 left on the clock, Lee's hopes for a championship were lost on a 6-yd. run by Monument.

Altogether, the "Cats" had a fine season, finishing with a 7-1 record. The Wildcats were led by 5 All-League players and All-Western Mass. player Rick Salinetti.

This year's soccer team compiled its best record ever: 9 wins vs. 6 losses. Under the leadership of Coach Vinatier and Paul Scarpa, League Sportsmanship winner, the team played a spirited well-balanced game.

LEE HIGH CROSS COUNTRY

Southern Berkshire League Champions

The dedication of Coach Warywoski's team of runners paid off this year. Once again they brought the Southern Division title to Lee. The team was led by Captains Junior Jim Tyer and Senior Ray Turner, who pulled in the first and second places for the entire season. The third, fourth and fifth spots were often filled by Don Zukowski, Ron Lovato and Mike Hayden. Coach Warywoski, though he has lost two runners to graduation, is hoping to keep the Southern crown where it belongs — in Lee!!

FIELD HOCKEY

In addition to achieving the most successful season record, 6-3-1, of all the past Lee High Field Hockey teams, the team was exceptional in many other ways. The varsity team consisted of 3 sophomores and 11 seniors. The senior members provided the experience, the determination and the hard-working players, not to mention the crazy antics, which helped the team to work cooperatively during games. Two of the offensive players, Jane Buratto and Donna Mooney, ended up second and third highest scorers in the County. Buratto had 18 and Mooney 16. In accordance with last year, the Field Hockey team again finished the season with the highest total goals scored for any team in the County, the total being 55. The fine record and successful season of the Field Hockey team should be accredited to the excellent coaching ability and limitless patience of Ms. Maish. Thank you, Coach!

THE 1977 FRESHMAN PARTY

On October twenty-first we welcomed the Freshmen to "Saturday Night Live". Our special hosts were Groucho Marx, (Paul Scarpa) and Mae West (Kathy Boynton). We sure had alot of fun producing this memorable evening and those who attended the skits and dance found it to be a fantastic Friday evening also. The Senior Class would especially like to thank Ms. Robertson for making this special event possible by giving so much of her time and effort.

During the year many juniors and seniors participated in the Southern Berkshire Collaborative Education Program. Students were involved in Health Care, Automotive works, Food Service as well as with several smaller state and private agencies.

AUTOMOTIVE

In this program, students learned the "ins and outs" of engines and engine repair. The participants supplemented their "classroom" work with actual hands-on learning by taking apart, fixing and rebuilding automotive systems.

The food service program trains students in the preparation and service of food. However, several of our students have had the unique opportunity to operate a small restaurant. Pictured at the So. Berkshire Collaborative Food Service Center are seniors: Dave Staats, Sheila Hughes, Judy Chahalan, Dan Bundy and Mike Cibelli.

HEATH CARE

This program is designed to teach basic nursing skills, self-awareness, first-aid, and confidence to the participants. A full-year course, the first term involves classroom learning and during the second semester, the students work with various organizations for practical experience in Health Care.

Pictured are participants Cindy Bertelli, Karen Huser, and Robin Portieri. Pictured left are Liz Homeston, Lisa Haywood and Maureen Brighenti.

This year some Lee High students had the opportunity to work with small companies and agencies as apprentices. Pictured here is Cindy Biasin working at the Town-N-Country Travel Agency in Lee.

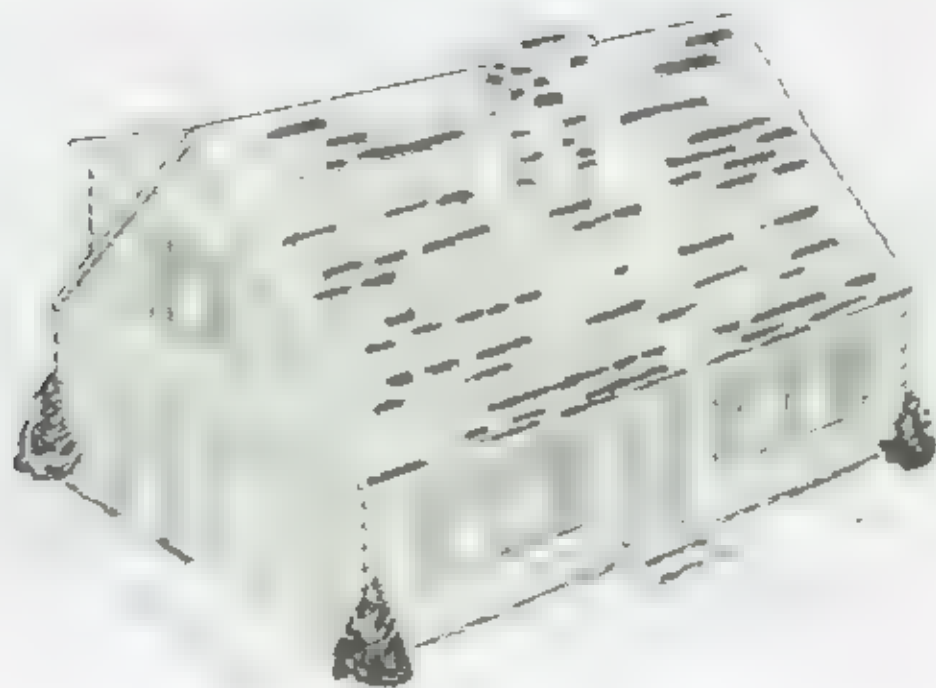

L.H.S. senior Doug Tierney has learned many useful skills as a sound and recording engineer this past year at the Shaggy Dog Recording Studio.

Pictured here is senior Delphia Foley, working in a greenhouse at the Berkshire Garden Center.

Consumer Advocate John Herbert is pictured at the North Street office of the Berkshire County Consumer Advocate Agency.

Winter at the House

Class is in session

We grow things!
We are involved with life (and life is change).

A seed changes to seedling to plant Each change a link in the chain of life, and each of us a link in that same chain.

May 9th - Spring is suddenly winter again - We live and deal with change, with life!

We deal with one another as we change as we grow New things, new problems, new change new growth — new us

The new school year brings change.
A new beginning - a new greenhouse.
We witness the process of nothing becoming something. We are the Agents of that change.

Again, however subtly, the changes change us. We are more than what we were. We are the beginning of all that is possible, as we celebrate the miracle of a single seed, and the promise it holds.

WINTER 77-78

VARSITY

The 1977-78 Basketball season was not one of the best that Lee has ever enjoyed, but there was a certain air of looseness about the team. Win or lose, the players always gave 100% while playing clean, aggressive basketball. Dan Arment and Rick Salinetti were team captains; other seniors playing their last season for the Wildcats were: Don Lovato, Pete Collins, and Jim MacDonald. With a few breaks the season could well have been a winning campaign, but with some talented underclassmen returning, Coach Cinella should have some winning seasons in the future.

First Row: P. Cinella, Ball Boy, J. Scapin, R. Salinetti, D. Lenfest, Ball Boy
 Second Row: D. Arment, E. Lynch, J. MacDonald, S. LeProvost, J. DeLorme, Manager, Coach Cinella

BOYS' BASKETBALL

1977-78 SEASON

JUNIOR VARSITY

This year's Junior Varsity squad has enjoyed a successful season while sharpening their skills for future Varsity action. The team, led by team captain Brian Buratto and coached by Mr. Barruzzi, played a spirited game and should supply Varsity Coach Cinella with plenty of talent.

First Row: P. Cinella, Ball Boy; R. O'Leary, B. Buratto, D. Lenfest, Ball Boy
Second Row: Coach Barruzzi, D. Retzel, C. Cummings, T. Van Orman, J. Kelly, J. Wel.speak, D. Zukowski, T. Bartini

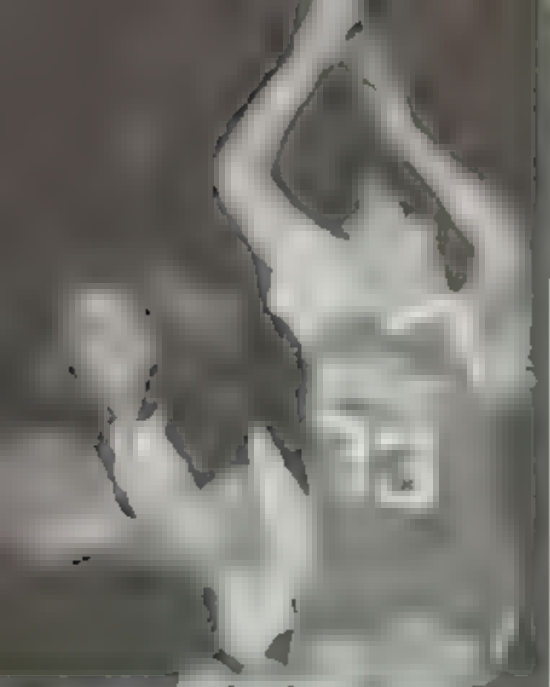

GIRL'S BASKETBALL

The Girl's Basketball team came into the 1977-78 season with many experienced players and a well-balanced team. There were many outstanding players, but most importantly, they played and worked as a team. The co-captains Chris Lorette and Donna Mooney, along with Mary Jo Drumm, Sally Gangell and Laura Collins made up the starting five.

Coach Sally Maish and assistant coach Susan Bowers along with the rest of the team, have shown great spirit and enthusiasm in everything they did. All in all, they're looking forward to a very promising year.

YEARBOOK STAFF

Well, here it is! Our view of four years of growing. This book is the result of many changing seasons and countless hours of creation.

The Staff has done some things differently this year in an effort to produce the best Yearbook that we could. We hope you like it! The Staff would like to extend its appreciation to John Herbert for writing our theme, "Seasons of Sentiment," and to Miss Hendershot for all her time and hard work that has made this Yearbook a success.

Sometimes our Staff wasn't always on the ball!

Sometimes our cameras "clicked" and our minds didn't.

Sometimes we had duplication of effort!

The Yearbook Staff of 1977-78 would like to extend a sincere Thank you to all of the local merchants who patronized our yearbook. This year, the staff made the decision to change the advertising policy of the yearbook, therefore, the ads will not appear as they have in the past. The sponsors that have paid for a full-page, half-page, quarter-page, or eighth-page of our yearbook are listed on the following four pages. These merchants deserve a special acknowledgement for their support of the 1978 Yearbook and Lee High School.
